

Maternity Clothing

We're excited to offer maternity clothing at KidsTown! EACH CONSIGNOR MAY BRING 25 MATERNITY ITEMS.

To help us provide a great selection for our shoppers, maternity items must meet the following guidelines:

We WILL accept:

- Current-style maternity clothing purchased within approximately the last 5 years
- Clothing appropriate for the season of the sale
- Maternity tops, sweaters, dresses, skirts, jeans, pants, shorts and leggings
- Nursing-friendly clothing
- Maternity pajamas and sleepwear in excellent condition
- Maternity swimwear during the appropriate season
- Items in excellent, gently used condition with no stains, holes, excessive pilling, fading, stretching or visible wear

We WILL NOT accept:

- Outdated styles or clothing more than approximately 5 years old
- Clothing that is not appropriate for the current sale season
- Items with stains, holes, odors, excessive wear, fading or pilling
- Items with broken zippers, missing buttons or damaged elastic
- Used bras, nursing bras, underwear, shapewear or hosiery
- Items without a readable size
- Non-maternity women's clothing

Please be selective! We are looking for maternity clothing that is **current, clean and in excellent condition**—items another mom would be excited to purchase and wear.
